The screenshot shows the San Andreas Multiplayer v0.2.2 interface. A list of servers is displayed with columns for HostName, Players, Ping, Mode, and Map. A dialog box titled 'Server Properties - (Just click "Conn...' is open for the server '[CZ] GamEr'z department | TeamDeathMatch'. The dialog shows the following details:

- Address: 87.236.195.88:7778
- Players: 0 / 200
- Ping: 15
- Mode: San Fierro TDM
- Map: TeamDeathMatch

Below the dialog, there are input fields for 'Server Password:' and 'RCON Password:'. At the bottom of the dialog are 'Connect', 'Save', and 'Cancel' buttons.

The main interface also includes a 'Filter' section with checkboxes for 'Not Full', 'Not Empty', and 'No Password'. A 'Server Info' section for the selected server shows the same details as the dialog, along with a ping graph. The status bar at the bottom indicates 'Servers: 67 players, playing on 8 servers. (1150 player slots available)'.
